Engagement and consultation with residents on traffic issues

Cllr Carpenter

Proposal

That the Parish Council organise a Parish Meeting at the Memorial Hall entirely devoted to traffic issues in the village in the Spring of 2022. The topics to include all areas of concern in the village, particularly Church Hill/Dark Lane, Rosemary Lane and the Tynning road. This will act as the start of a period of informal consultation for a possible LTN for the Church Hill/Dark Lane area, along with other traffic restraint options.

The PC will review the date for the meeting at the January meeting, in view of the status of Government and B&NES advice regarding public gatherings during the COV-19 pandemic. The proposed date for the Parish Meeting would likely be in early March 2022.
